The Lancaster County Library staff misses you very much.

We continue to report to work, but, without you, the days are long.

Please hold on to your checked out materials or put them in the book drop. You will not be charged overdues.

In this interim, we can offer you access to various electronic diversions.

Stay tuned to our Facebook pages.

In addition to Discus, with its wealth of reliable information, learning opportunities, and entertaining reference research, go to lanclib.org, with your library card, and borrow e-books and audiobooks from Cloud Library, or check out a movie, kids’ fun, and music from Hoopla. If you do not know your pin number, give us a call at 803-285-1502; we’ll be happy to set one up for you.

There is no need ever to be bored, if you have a book to read!
