LANCASTER COUNTY LIBRARY

Newsletter

From the Director.

As Lancaster County continues to observe recommendations for social distancing, we have been so happy to see you coming in to our two open locations. A reminder of our hours:

Main (temporarily located at 1228 Colonial Commons (the old Barnett Building). Monday through Friday, 9-5 pm. 803-285-1502

Kershaw (3855 Fork Hill Road, Kershaw, SC) Monday through Friday, 9-12 pm and 1-5 pm. 803-475-2609

Libraries store the energy that fuels the imagination. They open up windows to the world and inspire us to explore and achieve, and contribute to improving our quality of life.

Sidney Sheldon

We offer a number of services (Faxing, Copying, Personal Computer and Internet use, virtual programs for children during summer reading, DVDs, etc.). We are finding that so many of you simply love print books! Just wait until we reopen! The following is a projected timeline:

Lancaster should reopen in mid-December of this year.

Del Webb is slated for early October.

Kershaw is awaiting completion of the sewer line before speculating on a date.

Thank you all for your patience.

As some of you may have discovered, once you return your items, there is a five day quarantine before we handle them to check them in, fine free. When you come to our door, your temperature will be taken from a slight distance, by a staff member wearing a mask. At this time, it is up to you if you care to wear a mask or gloves.

Looking forward to a bright future together.

Rita Vogel

Thank you all for your patience.

As some of you may have discovered, once you return your items, there is a five day quarantine before we handle them to check them in, fine free. When you come to our door, your temperature will be taken from a slight distance, by a staff member wearing a mask. At this time, it is up to you if you care to wear a mask or gloves.

Looking forward to a bright future together.

Rita Vogel

LANCASTER COUNTY LIBRARY

Newsletter

From the Director.

As Lancaster County continues to observe recommendations for social distancing, we have been so happy to see you coming in to our two open locations. A reminder of our hours:

Main (temporarily located at 1228 Colonial Commons (the old Barnett Building). Monday through Friday, 9-5 pm. 803-285-1502

Kershaw (3855 Fork Hill Road, Kershaw, SC) Monday through Friday, 9-12 pm and 1-5 pm. 803-475-2609

Libraries store the energy that fuels the imagination. They open up windows to the world and inspire us to explore and achieve, and contribute to improving our quality of life.

Sidney Sheldon

We offer a number of services (Faxing, Copying, Personal Computer and Internet use, virtual programs for children during summer reading, DVDs, etc.). We are finding that so many of you simply love print books! Just wait until we reopen! The following is a projected timeline:

Lancaster should reopen in mid-December of this year.

Del Webb is slated for early October.

Kershaw is awaiting completion of the sewer line before speculating on a date.

Thank you all for your patience.

Libraries store the energy that fuels the imagination. They open up windows to the world and inspire us to explore and achieve, and contribute to improving our quality of life.

Sidney Sheldon

We offer a number of services (Faxing, Copying, Personal Computer and Internet use, virtual programs for children during summer reading, DVDs, etc.). We are finding that so many of you simply love print books! Just wait until we reopen! The following is a projected timeline:

Lancaster should reopen in mid-December of this year.

Del Webb is slated for early October.

Kershaw is awaiting completion of the sewer line before speculating on a date.

Thank you all for your patience.

As some of you may have discovered, once you return your items, there is a five day quarantine before we handle them to check them in, fine free. When you come to our door, your temperature will be taken from a slight distance, by a staff member wearing a mask. At this time, it is up to you if you care to wear a mask or gloves.

Looking forward to a bright future together.

Rita Vogel

As Lancaster County continues to observe recommendations for social distancing, we have been so happy to see you coming in to our two open locations. A reminder of our hours:

Main (temporarily located at 1228 Colonial Commons (the old Barnett Building). Monday through Friday, 9-5 pm. 803-285-1502

Kershaw (3855 Fork Hill Road, Kershaw, SC) Monday through Friday, 9-12 pm and 1-5 pm. 803-475-2609

Libraries store the energy that fuels the imagination. They open up windows to the world and inspire us to explore and achieve, and contribute to improving our quality of life.

Sidney Sheldon

We offer a number of services (Faxing, Copying, Personal Computer and Internet use, virtual programs for children during summer reading, DVDs, etc.). We are finding that so many of you simply love print books! Just wait until we reopen! The following is a projected timeline:

Lancaster should reopen in mid-December of this year.

Del Webb is slated for early October.

Kershaw is awaiting completion of the sewer line before speculating on a date.

Thank you all for your patience.

As some of you may have discovered, once you return your items, there is a five day quarantine before we handle them to check them in, fine free. When you come to our door, your temperature will be taken from a slight distance, by a staff member wearing a mask. At this time, it is up to you if you care to wear a mask or gloves.

Looking forward to a bright future together.

As some of you may have discovered, once you return your items, there is a five day quarantine before we handle them to check them in, fine free. When you come to our door, your temperature will be taken from a slight distance, by a staff member wearing a mask. At this time, it is up to you if you care to wear a mask or gloves.

Looking forward to a bright future together.

Rita Vogel

LANCASTER COUNTY LIBRARY

Newsletter

From the Director.

As Lancaster County continues to observe recommendations for social distancing, we have been so happy to see you coming in to our two open locations. A reminder of our hours:

Main (temporarily located at 1228 Colonial Commons (the old Barnett Building). Monday through Friday, 9-5 pm. 803-285-1502

Kershaw (3855 Fork Hill Road, Kershaw, SC) Monday through Friday, 9-12 pm and 1-5 pm. 803-475-2609

Libraries store the energy that fuels the imagination. They open up windows to the world and inspire us to explore and achieve, and contribute to improving our quality of life.

Sidney Sheldon

We offer a number of services (Faxing, Copying, Personal Computer and Internet use, virtual programs for children during summer reading, DVDs, etc.). We are finding that so many of you simply love print books! Just wait until we reopen! The following is a projected timeline:

Lancaster should reopen in mid-December of this year.

Del Webb is slated for early October.

Kershaw is awaiting completion of the sewer line before speculating on a date.

Thank you all for your patience.

Sidney Sheldon

We offer a number of services (Faxing, Copying, Personal Computer and Internet use, virtual programs for children during summer reading, DVDs, etc.). We are finding that so many of you simply love print books! Just wait until we reopen! The following is a projected timeline:

Lancaster should reopen in mid-December of this year.

Del Webb is slated for early October.

Kershaw is awaiting completion of the sewer line before speculating on a date.

Thank you all for your patience.

As some of you may have discovered, once you return your items, there is a five day quarantine before we handle them to check them in, fine free. When you come to our door, your temperature will be taken from a slight distance, by a staff member wearing a mask. At this time, it is up to you if you care to wear a mask or gloves.

Looking forward to a bright future together.

Rita Vogel

LANCASTER COUNTY LIBRARY

Newsletter

From the Director.

As Lancaster County continues to observe recommendations for social distancing, we have been so happy to see you coming in to our two open locations. A reminder of our hours:

Main (temporarily located at 1228 Colonial Commons (the old Barnett Building). Monday through Friday, 9-5 pm. 803-285-1502

Kershaw (3855 Fork Hill Road, Kershaw, SC) Monday through Friday, 9-12 pm and 1-5 pm. 803-475-2609

Libraries store the energy that fuels the imagination. They open up windows to the world and inspire us to explore and achieve, and contribute to improving our quality of life.

As Lancaster County continues to observe recommendations for social distancing, we have been so happy to see you coming in to our two open locations. A reminder of our hours:

Main (temporarily located at 1228 Colonial Commons (the old Barnett Building). Monday through Friday, 9-5 pm. 803-285-1502

Kershaw (3855 Fork Hill Road, Kershaw, SC) Monday through Friday, 9-12 pm and 1-5 pm. 803-475-2609

Libraries store the energy that fuels the imagination. They open up windows to the world and inspire us to explore and achieve, and contribute to improving our quality of life.

Sidney Sheldon

We offer a number of services (Faxing, Copying, Personal Computer and Internet use, virtual programs for children during summer reading, DVDs, etc.). We are finding that so many of you simply love print books! Just wait until we reopen! The following is a projected timeline:

Lancaster should reopen in mid-December of this year.

Del Webb is slated for early October.

Kershaw is awaiting completion of the sewer line before speculating on a date.

Thank you all for your patience.

As some of you may have discovered, once you return your items, there is a five day quarantine before we handle them to check them in, fine free. When you come to our door, your temperature will be taken from a slight distance, by a staff member wearing a mask. At this time, it is up to you if you care to wear a mask or gloves.

Looking forward to a bright future together.

As some of you may have discovered, once you return your items, there is a five day quarantine before we handle them to check them in, fine free. When you come to our door, your temperature will be taken from a slight distance, by a staff member wearing a mask. At this time, it is up to you if you care to wear a mask or gloves.

Looking forward to a bright future together.

Rita Vogel

LANCASTER COUNTY LIBRARY

Newsletter

From the Director.

As Lancaster County continues to observe recommendations for social distancing, we have been so happy to see you coming in to our two open locations. A reminder of our hours:

Main (temporarily located at 1228 Colonial Commons (the old Barnett Building). Monday through Friday, 9-5 pm. 803-285-1502

Kershaw (3855 Fork Hill Road, Kershaw, SC) Monday through Friday, 9-12 pm and 1-5 pm. 803-475-2609

Libraries store the energy that fuels the imagination. They open up windows to the world and inspire us to explore and achieve, and contribute to improving our quality of life.

Sidney Sheldon

We offer a number of services (Faxing, Copying, Personal Computer and Internet use, virtual programs for children during summer reading, DVDs, etc.). We are finding that so many of you simply love print books! Just wait until we reopen! The following is a projected timeline:

Lancaster should reopen in mid-December of this year.

Del Webb is slated for early October.

Kershaw is awaiting completion of the sewer line before speculating on a date.

Thank you all for your patience.

Sidney Sheldon

We offer a number of services (Faxing, Copying, Personal Computer and Internet use, virtual programs for children during summer reading, DVDs, etc.). We are finding that so many of you simply love print books! Just wait until we reopen! The following is a projected timeline:

Lancaster should reopen in mid-December of this year.

Del Webb is slated for early October.

Kershaw is awaiting completion of the sewer line before speculating on a date.

Thank you all for your patience.

As some of you may have discovered, once you return your items, there is a five day quarantine before we handle them to check them in, fine free. When you come to our door, your temperature will be taken from a slight distance, by a staff member wearing a mask. At this time, it is up to you if you care to wear a mask or gloves.

Looking forward to a bright future together.

Rita Vogel

LANCASTER COUNTY LIBRARY

Newsletter

From the Director.

As Lancaster County continues to observe recommendations for social distancing, we have been so happy to see you coming in to our two open locations. A reminder of our hours:

Main (temporarily located at 1228 Colonial Commons (the old Barnett Building). Monday through Friday, 9-5 pm. 803-285-1502

Kershaw (3855 Fork Hill Road, Kershaw, SC) Monday through Friday, 9-12 pm and 1-5 pm. 803-475-2609

Libraries store the energy that fuels the imagination. They open up windows to the world and inspire us to explore and achieve, and contribute to improving our quality of life.

As Lancaster County continues to observe recommendations for social distancing, we have been so happy to see you coming in to our two open locations. A reminder of our hours:

Main (temporarily located at 1228 Colonial Commons (the old Barnett Building). Monday through Friday, 9-5 pm. 803-285-1502

Kershaw (3855 Fork Hill Road, Kershaw, SC) Monday through Friday, 9-12 pm and 1-5 pm. 803-475-2609

Libraries store the energy that fuels the imagination. They open up windows to the world and inspire us to explore and achieve, and contribute to improving our quality of life.

Sidney Sheldon

We offer a number of services (Faxing, Copying, Personal Computer and Internet use, virtual programs for children during summer reading, DVDs, etc.). We are finding that so many of you simply love print books! Just wait until we reopen! The following is a projected timeline:

Lancaster should reopen in mid-December of this year.

Del Webb is slated for early October.

Kershaw is awaiting completion of the sewer line before speculating on a date.

Thank you all for your patience.

As some of you may have discovered, once you return your items, there is a five day quarantine before we handle them to check them in, fine free. When you come to our door, your temperature will be taken from a slight distance, by a staff member wearing a mask. At this time, it is up to you if you care to wear a mask or gloves.

Looking forward to a bright future together.

As some of you may have discovered, once you return your items, there is a five day quarantine before we handle them to check them in, fine free. When you come to our door, your temperature will be taken from a slight distance, by a staff member wearing a mask. At this time, it is up to you if you care to wear a mask or gloves.

Looking forward to a bright future together.

Rita Vogel

LANCASTER COUNTY LIBRARY

Newsletter

From the Director.

As Lancaster County continues to observe recommendations for social distancing, we have been so happy to see you coming in to our two open locations. A reminder of our hours:

Main (temporarily located at 1228 Colonial Commons (the old Barnett Building). Monday through Friday, 9-5 pm. 803-285-1502

Kershaw (3855 Fork Hill Road, Kershaw, SC) Monday through Friday, 9-12 pm and 1-5 pm. 803-475-2609

Libraries store the energy that fuels the imagination. They open up windows to the world and inspire us to explore and achieve, and contribute to improving our quality of life.

Sidney Sheldon

We offer a number of services (Faxing, Copying, Personal Computer and Internet use, virtual programs for children during summer reading, DVDs, etc.). We are finding that so many of you simply love print books! Just wait until we reopen! The following is a projected timeline:

Lancaster should reopen in mid-December of this year.

Del Webb is slated for early October.

Kershaw is awaiting completion of the sewer line before speculating on a date.

Thank you all for your patience.

Sidney Sheldon

We offer a number of services (Faxing, Copying, Personal Computer and Internet use, virtual programs for children during summer reading, DVDs, etc.). We are finding that so many of you simply love print books! Just wait until we reopen! The following is a projected timeline:

Lancaster should reopen in mid-December of this year.

Del Webb is slated for early October.

Kershaw is awaiting completion of the sewer line before speculating on a date.

Thank you all for your patience.

As some of you may have discovered, once you return your items, there is a five day quarantine before we handle them to check them in, fine free. When you come to our door, your temperature will be taken from a slight distance, by a staff member wearing a mask. At this time, it is up to you if you care to wear a mask or gloves.

Looking forward to a bright future together.

Rita Vogel

LANCASTER COUNTY LIBRARY

Newsletter

From the Director.

As Lancaster County continues to observe recommendations for social distancing, we have been so happy to see you coming in to our two open locations. A reminder of our hours:

Main (temporarily located at 1228 Colonial Commons (the old Barnett Building). Monday through Friday, 9-5 pm. 803-285-1502

Kershaw (3855 Fork Hill Road, Kershaw, SC) Monday through Friday, 9-12 pm and 1-5 pm. 803-475-2609

Libraries store the energy that fuels the imagination. They open up windows to the world and inspire us to explore and achieve, and contribute to improving our quality of life.

As Lancaster County continues to observe recommendations for social distancing, we have been so happy to see you coming in to our two open locations. A reminder of our hours:

Main (temporarily located at 1228 Colonial Commons (the old Barnett Building). Monday through Friday, 9-5 pm. 803-285-1502

Kershaw (3855 Fork Hill Road, Kershaw, SC) Monday through Friday, 9-12 pm and 1-5 pm. 803-475-2609

Libraries store the energy that fuels the imagination. They open up windows to the world and inspire us to explore and achieve, and contribute to improving our quality of life.

Sidney Sheldon

We offer a number of services (Faxing, Copying, Personal Computer and Internet use, virtual programs for children during summer reading, DVDs, etc.). We are finding that so many of you simply love print books! Just wait until we reopen! The following is a projected timeline:

Lancaster should reopen in mid-December of this year.

Del Webb is slated for early October.

Kershaw is awaiting completion of the sewer line before speculating on a date.

Thank you all for your patience.

As some of you may have discovered, once you return your items, there is a five day quarantine before we handle them to check them in, fine free. When you come to our door, your temperature will be taken from a slight distance, by a staff member wearing a mask. At this time, it is up to you if you care to wear a mask or gloves.

Looking forward to a bright future together.

As some of you may have discovered, once you return your items, there is a five day quarantine before we handle them to check them in, fine free. When you come to our door, your temperature will be taken from a slight distance, by a staff member wearing a mask. At this time, it is up to you if you care to wear a mask or gloves.

Looking forward to a bright future together.

Rita Vogel

LANCASTER COUNTY LIBRARY

Newsletter

From the Director.

As Lancaster County continues to observe recommendations for social distancing, we have been so happy to see you coming in to our two open locations. A reminder of our hours:

Main (temporarily located at 1228 Colonial Commons (the old Barnett Building). Monday through Friday, 9-5 pm. 803-285-1502

Kershaw (3855 Fork Hill Road, Kershaw, SC) Monday through Friday, 9-12 pm and 1-5 pm. 803-475-2609

Libraries store the energy that fuels the imagination. They open up windows to the world and inspire us to explore and achieve, and contribute to improving our quality of life.

Sidney Sheldon

We offer a number of services (Faxing, Copying, Personal Computer and Internet use, virtual programs for children during summer reading, DVDs, etc.). We are finding that so many of you simply love print books! Just wait until we reopen! The following is a projected timeline:

Lancaster should reopen in mid-December of this year.

Del Webb is slated for early October.

Kershaw is awaiting completion of the sewer line before speculating on a date.

Thank you all for your patience.

Sidney Sheldon

We offer a number of services (Faxing, Copying, Personal Computer and Internet use, virtual programs for children during summer reading, DVDs, etc.). We are finding that so many of you simply love print books! Just wait until we reopen! The following is a projected timeline:

Lancaster should reopen in mid-December of this year.

Del Webb is slated for early October.

Kershaw is awaiting completion of the sewer line before speculating on a date.

Thank you all for your patience.

As some of you may have discovered, once you return your items, there is a five day quarantine before we handle them to check them in, fine free. When you come to our door, your temperature will be taken from a slight distance, by a staff member wearing a mask. At this time, it is up to you if you care to wear a mask or gloves.

Looking forward to a bright future together.

Rita Vogel

LANCASTER COUNTY LIBRARY

Newsletter

From the Director.

As Lancaster County continues to observe recommendations for social distancing, we have been so happy to see you coming in to our two open locations. A reminder of our hours:

Main (temporarily located at 1228 Colonial Commons (the old Barnett Building). Monday through Friday, 9-5 pm. 803-285-1502

Kershaw (3855 Fork Hill Road, Kershaw, SC) Monday through Friday, 9-12 pm and 1-5 pm. 803-475-2609

Libraries store the energy that fuels the imagination. They open up windows to the world and inspire us to explore and achieve, and contribute to improving our quality of life.

As Lancaster County continues to observe recommendations for social distancing, we have been so happy to see you coming in to our two open locations. A reminder of our hours:

Main (temporarily located at 1228 Colonial Commons (the old Barnett Building). Monday through Friday, 9-5 pm. 803-285-1502

Kershaw (3855 Fork Hill Road, Kershaw, SC) Monday through Friday, 9-12 pm and 1-5 pm. 803-475-2609

Libraries store the energy that fuels the imagination. They open up windows to the world and inspire us to explore and achieve, and contribute to improving our quality of life.

Sidney Sheldon

We offer a number of services (Faxing, Copying, Personal Computer and Internet use, virtual programs for children during summer reading, DVDs, etc.). We are finding that so many of you simply love print books! Just wait until we reopen! The following is a projected timeline:

Lancaster should reopen in mid-December of this year.

Del Webb is slated for early October.

Kershaw is awaiting completion of the sewer line before speculating on a date.

Thank you all for your patience.

As some of you may have discovered, once you return your items, there is a five day quarantine before we handle them to check them in, fine free. When you come to our door, your temperature will be taken from a slight distance, by a staff member wearing a mask. At this time, it is up to you if you care to wear a mask or gloves.

Looking forward to a bright future together.

As some of you may have discovered, once you return your items, there is a five day quarantine before we handle them to check them in, fine free. When you come to our door, your temperature will be taken from a slight distance, by a staff member wearing a mask. At this time, it is up to you if you care to wear a mask or gloves.

Looking forward to a bright future together.

Rita Vogel

LANCASTER COUNTY LIBRARY

Newsletter

From the Director.

As Lancaster County continues to observe recommendations for social distancing, we have been so happy to see you coming in to our two open locations. A reminder of our hours:

Main (temporarily located at 1228 Colonial Commons (the old Barnett Building). Monday through Friday, 9-5 pm. 803-285-1502

Kershaw (3855 Fork Hill Road, Kershaw, SC) Monday through Friday, 9-12 pm and 1-5 pm. 803-475-2609

Libraries store the energy that fuels the imagination. They open up windows to the world and inspire us to explore and achieve, and contribute to improving our quality of life.

Sidney Sheldon

We offer a number of services (Faxing, Copying, Personal Computer and Internet use, virtual programs for children during summer reading, DVDs, etc.). We are finding that so many of you simply love print books! Just wait until we reopen! The following is a projected timeline:

Lancaster should reopen in mid-December of this year.

Del Webb is slated for early October.

Kershaw is awaiting completion of the sewer line before speculating on a date.

Thank you all for your patience.

Sidney Sheldon

We offer a number of services (Faxing, Copying, Personal Computer and Internet use, virtual programs for children during summer reading, DVDs, etc.). We are finding that so many of you simply love print books! Just wait until we reopen! The following is a projected timeline:

Lancaster should reopen in mid-December of this year.

Del Webb is slated for early October.

Kershaw is awaiting completion of the sewer line before speculating on a date.

Thank you all for your patience.

As some of you may have discovered, once you return your items, there is a five day quarantine before we handle them to check them in, fine free. When you come to our door, your temperature will be taken from a slight distance, by a staff member wearing a mask. At this time, it is up to you if you care to wear a mask or gloves.

Looking forward to a bright future together.

Rita Vogel

LANCASTER COUNTY LIBRARY

Newsletter

From the Director.

As Lancaster County continues to observe recommendations for social distancing, we have been so happy to see you coming in to our two open locations. A reminder of our hours:

Main (temporarily located at 1228 Colonial Commons (the old Barnett Building). Monday through Friday, 9-5 pm. 803-285-1502

Kershaw (3855 Fork Hill Road, Kershaw, SC) Monday through Friday, 9-12 pm and 1-5 pm. 803-475-2609

Libraries store the energy that fuels the imagination. They open up windows to the world and inspire us to explore and achieve, and contribute to improving our quality of life.

As Lancaster County continues to observe recommendations for social distancing, we have been so happy to see you coming in to our two open locations. A reminder of our hours:

Main (temporarily located at 1228 Colonial Commons (the old Barnett Building). Monday through Friday, 9-5 pm. 803-285-1502

Kershaw (3855 Fork Hill Road, Kershaw, SC) Monday through Friday, 9-12 pm and 1-5 pm. 803-475-2609

Libraries store the energy that fuels the imagination. They open up windows to the world and inspire us to explore and achieve, and contribute to improving our quality of life.

Sidney Sheldon

We offer a number of services (Faxing, Copying, Personal Computer and Internet use, virtual programs for children during summer reading, DVDs, etc.). We are finding that so many of you simply love print books! Just wait until we reopen! The following is a projected timeline:

Lancaster should reopen in mid-December of this year.

Del Webb is slated for early October.

Kershaw is awaiting completion of the sewer line before speculating on a date.

Thank you all for your patience.

As some of you may have discovered, once you return your items, there is a five day quarantine before we handle them to check them in, fine free. When you come to our door, your temperature will be taken from a slight distance, by a staff member wearing a mask. At this time, it is up to you if you care to wear a mask or gloves.

Looking forward to a bright future together.

As some of you may have discovered, once you return your items, there is a five day quarantine before we handle them to check them in, fine free. When you come to our door, your temperature will be taken from a slight distance, by a staff member wearing a mask. At this time, it is up to you if you care to wear a mask or gloves.

Looking forward to a bright future together.

Rita Vogel

LANCASTER COUNTY LIBRARY

Newsletter

From the Director.

As Lancaster County continues to observe recommendations for social distancing, we have been so happy to see you coming in to our two open locations. A reminder of our hours:

Main (temporarily located at 1228 Colonial Commons (the old Barnett Building). Monday through Friday, 9-5 pm. 803-285-1502

Kershaw (3855 Fork Hill Road, Kershaw, SC) Monday through Friday, 9-12 pm and 1-5 pm. 803-475-2609

Libraries store the energy that fuels the imagination. They open up windows to the world and inspire us to explore and achieve, and contribute to improving our quality of life.

Sidney Sheldon

We offer a number of services (Faxing, Copying, Personal Computer and Internet use, virtual programs for children during summer reading, DVDs, etc.). We are finding that so many of you simply love print books! Just wait until we reopen! The following is a projected timeline:

Lancaster should reopen in mid-December of this year.

Del Webb is slated for early October.

Kershaw is awaiting completion of the sewer line before speculating on a date.

Thank you all for your patience.

Sidney Sheldon

We offer a number of services (Faxing, Copying, Personal Computer and Internet use, virtual programs for children during summer reading, DVDs, etc.). We are finding that so many of you simply love print books! Just wait until we reopen! The following is a projected timeline:

Lancaster should reopen in mid-December of this year.

Del Webb is slated for early October.

Kershaw is awaiting completion of the sewer line before speculating on a date.

Thank you all for your patience.

As some of you may have discovered, once you return your items, there is a five day quarantine before we handle them to check them in, fine free. When you come to our door, your temperature will be taken from a slight distance, by a staff member wearing a mask. At this time, it is up to you if you care to wear a mask or gloves.

Looking forward to a bright future together.

Rita Vogel

LANCASTER COUNTY LIBRARY

Newsletter

From the Director.

As Lancaster County continues to observe recommendations for social distancing, we have been so happy to see you coming in to our two open locations. A reminder of our hours:

Main (temporarily located at 1228 Colonial Commons (the old Barnett Building). Monday through Friday, 9-5 pm. 803-285-1502

Kershaw (3855 Fork Hill Road, Kershaw, SC) Monday through Friday, 9-12 pm and 1-5 pm. 803-475-2609

Libraries store the energy that fuels the imagination. They open up windows to the world and inspire us to explore and achieve, and contribute to improving our quality of life.

As Lancaster County continues to observe recommendations for social distancing, we have been so happy to see you coming in to our two open locations. A reminder of our hours:

Main (temporarily located at 1228 Colonial Commons (the old Barnett Building). Monday through Friday, 9-5 pm. 803-285-1502

Kershaw (3855 Fork Hill Road, Kershaw, SC) Monday through Friday, 9-12 pm and 1-5 pm. 803-475-2609

Libraries store the energy that fuels the imagination. They open up windows to the world and inspire us to explore and achieve, and contribute to improving our quality of life.

Sidney Sheldon

We offer a number of services (Faxing, Copying, Personal Computer and Internet use, virtual programs for children during summer reading, DVDs, etc.). We are finding that so many of you simply love print books! Just wait until we reopen! The following is a projected timeline:

Lancaster should reopen in mid-December of this year.

Del Webb is slated for early October.

Kershaw is awaiting completion of the sewer line before speculating on a date.

Thank you all for your patience.

As some of you may have discovered, once you return your items, there is a five day quarantine before we handle them to check them in, fine free. When you come to our door, your temperature will be taken from a slight distance, by a staff member wearing a mask. At this time, it is up to you if you care to wear a mask or gloves.

Looking forward to a bright future together.

As some of you may have discovered, once you return your items, there is a five day quarantine before we handle them to check them in, fine free. When you come to our door, your temperature will be taken from a slight distance, by a staff member wearing a mask. At this time, it is up to you if you care to wear a mask or gloves.

Looking forward to a bright future together.

Rita Vogel

LANCASTER COUNTY LIBRARY

Newsletter

From the Director.

As Lancaster County continues to observe recommendations for social distancing, we have been so happy to see you coming in to our two open locations. A reminder of our hours:

Main (temporarily located at 1228 Colonial Commons (the old Barnett Building). Monday through Friday, 9-5 pm. 803-285-1502

Kershaw (3855 Fork Hill Road, Kershaw, SC) Monday through Friday, 9-12 pm and 1-5 pm. 803-475-2609

Libraries store the energy that fuels the imagination. They open up windows to the world and inspire us to explore and achieve, and contribute to improving our quality of life.

Sidney Sheldon

We offer a number of services (Faxing, Copying, Personal Computer and Internet use, virtual programs for children during summer reading, DVDs, etc.). We are finding that so many of you simply love print books! Just wait until we reopen! The following is a projected timeline:

Lancaster should reopen in mid-December of this year.

Del Webb is slated for early October.

Kershaw is awaiting completion of the sewer line before speculating on a date.

Thank you all for your patience.

Sidney Sheldon

We offer a number of services (Faxing, Copying, Personal Computer and Internet use, virtual programs for children during summer reading, DVDs, etc.). We are finding that so many of you simply love print books! Just wait until we reopen! The following is a projected timeline:

Lancaster should reopen in mid-December of this year.

Del Webb is slated for early October.

Kershaw is awaiting completion of the sewer line before speculating on a date.

Thank you all for your patience.

As some of you may have discovered, once you return your items, there is a five day quarantine before we handle them to check them in, fine free. When you come to our door, your temperature will be taken from a slight distance, by a staff member wearing a mask. At this time, it is up to you if you care to wear a mask or gloves.

Looking forward to a bright future together.

Rita Vogel

LANCASTER COUNTY LIBRARY

Newsletter

From the Director.

As Lancaster County continues to observe recommendations for social distancing, we have been so happy to see you coming in to our two open locations. A reminder of our hours:

Main (temporarily located at 1228 Colonial Commons (the old Barnett Building). Monday through Friday, 9-5 pm. 803-285-1502

Kershaw (3855 Fork Hill Road, Kershaw, SC) Monday through Friday, 9-12 pm and 1-5 pm. 803-475-2609

Libraries store the energy that fuels the imagination. They open up windows to the world and inspire us to explore and achieve, and contribute to improving our quality of life.

As Lancaster County continues to observe recommendations for social distancing, we have been so happy to see you coming in to our two open locations. A reminder of our hours:

Main (temporarily located at 1228 Colonial Commons (the old Barnett Building). Monday through Friday, 9-5 pm. 803-285-1502

Kershaw (3855 Fork Hill Road, Kershaw, SC) Monday through Friday, 9-12 pm and 1-5 pm. 803-475-2609

Libraries store the energy that fuels the imagination. They open up windows to the world and inspire us to explore and achieve, and contribute to improving our quality of life.

Sidney Sheldon

We offer a number of services (Faxing, Copying, Personal Computer and Internet use, virtual programs for children during summer reading, DVDs, etc.). We are finding that so many of you simply love print books! Just wait until we reopen! The following is a projected timeline:

Lancaster should reopen in mid-December of this year.

Del Webb is slated for early October.

Kershaw is awaiting completion of the sewer line before speculating on a date.

Thank you all for your patience.

As some of you may have discovered, once you return your items, there is a five day quarantine before we handle them to check them in, fine free. When you come to our door, your temperature will be taken from a slight distance, by a staff member wearing a mask. At this time, it is up to you if you care to wear a mask or gloves.

Looking forward to a bright future together.

As some of you may have discovered, once you return your items, there is a five day quarantine before we handle them to check them in, fine free. When you come to our door, your temperature will be taken from a slight distance, by a staff member wearing a mask. At this time, it is up to you if you care to wear a mask or gloves.

Looking forward to a bright future together.

Rita Vogel

LANCASTER COUNTY LIBRARY

Newsletter

From the Director.

As Lancaster County continues to observe recommendations for social distancing, we have been so happy to see you coming in to our two open locations. A reminder of our hours:

Main (temporarily located at 1228 Colonial Commons (the old Barnett Building). Monday through Friday, 9-5 pm. 803-285-1502

Kershaw (3855 Fork Hill Road, Kershaw, SC) Monday through Friday, 9-12 pm and 1-5 pm. 803-475-2609

Libraries store the energy that fuels the imagination. They open up windows to the world and inspire us to explore and achieve, and contribute to improving our quality of life.

Sidney Sheldon

We offer a number of services (Faxing, Copying, Personal Computer and Internet use, virtual programs for children during summer reading, DVDs, etc.). We are finding that so many of you simply love print books! Just wait until we reopen! The following is a projected timeline:

Lancaster should reopen in mid-December of this year.

Del Webb is slated for early October.

Kershaw is awaiting completion of the sewer line before speculating on a date.

Thank you all for your patience.

Sidney Sheldon

We offer a number of services (Faxing, Copying, Personal Computer and Internet use, virtual programs for children during summer reading, DVDs, etc.). We are finding that so many of you simply love print books! Just wait until we reopen! The following is a projected timeline:

Lancaster should reopen in mid-December of this year.

Del Webb is slated for early October.

Kershaw is awaiting completion of the sewer line before speculating on a date.

Thank you all for your patience.

As some of you may have discovered, once you return your items, there is a five day quarantine before we handle them to check them in, fine free. When you come to our door, your temperature will be taken from a slight distance, by a staff member wearing a mask. At this time, it is up to you if you care to wear a mask or gloves.

Looking forward to a bright future together.

Rita Vogel

LANCASTER COUNTY LIBRARY

Newsletter

From the Director.

As Lancaster County continues to observe recommendations for social distancing, we have been so happy to see you coming in to our two open locations. A reminder of our hours:

Main (temporarily located at 1228 Colonial Commons (the old Barnett Building). Monday through Friday, 9-5 pm. 803-285-1502

Kershaw (3855 Fork Hill Road, Kershaw, SC) Monday through Friday, 9-12 pm and 1-5 pm. 803-475-2609

Libraries store the energy that fuels the imagination. They open up windows to the world and inspire us to explore and achieve, and contribute to improving our quality of life.

As Lancaster County continues to observe recommendations for social distancing, we have been so happy to see you coming in to our two open locations. A reminder of our hours:

Main (temporarily located at 1228 Colonial Commons (the old Barnett Building). Monday through Friday, 9-5 pm. 803-285-1502

Kershaw (3855 Fork Hill Road, Kershaw, SC) Monday through Friday, 9-12 pm and 1-5 pm. 803-475-2609

Libraries store the energy that fuels the imagination. They open up windows to the world and inspire us to explore and achieve, and contribute to improving our quality of life.

Sidney Sheldon

We offer a number of services (Faxing, Copying, Personal Computer and Internet use, virtual programs for children during summer reading, DVDs, etc.). We are finding that so many of you simply love print books! Just wait until we reopen! The following is a projected timeline:

Lancaster should reopen in mid-December of this year.

Del Webb is slated for early October.

Kershaw is awaiting completion of the sewer line before speculating on a date.

Thank you all for your patience.

As some of you may have discovered, once you return your items, there is a five day quarantine before we handle them to check them in, fine free. When you come to our door, your temperature will be taken from a slight distance, by a staff member wearing a mask. At this time, it is up to you if you care to wear a mask or gloves.

Looking forward to a bright future together.

As some of you may have discovered, once you return your items, there is a five day quarantine before we handle them to check them in, fine free. When you come to our door, your temperature will be taken from a slight distance, by a staff member wearing a mask. At this time, it is up to you if you care to wear a mask or gloves.

Looking forward to a bright future together.

Rita Vogel

LANCASTER COUNTY LIBRARY

Newsletter

From the Director.

As Lancaster County continues to observe recommendations for social distancing, we have been so happy to see you coming in to our two open locations. A reminder of our hours:

Main (temporarily located at 1228 Colonial Commons (the old Barnett Building). Monday through Friday, 9-5 pm. 803-285-1502

Kershaw (3855 Fork Hill Road, Kershaw, SC) Monday through Friday, 9-12 pm and 1-5 pm. 803-475-2609

Libraries store the energy that fuels the imagination. They open up windows to the world and inspire us to explore and achieve, and contribute to improving our quality of life.

Sidney Sheldon

We offer a number of services (Faxing, Copying, Personal Computer and Internet use, virtual programs for children during summer reading, DVDs, etc.). We are finding that so many of you simply love print books! Just wait until we reopen! The following is a projected timeline:

Lancaster should reopen in mid-December of this year.

Del Webb is slated for early October.

Kershaw is awaiting completion of the sewer line before speculating on a date.

Thank you all for your patience.

Sidney Sheldon

We offer a number of services (Faxing, Copying, Personal Computer and Internet use, virtual programs for children during summer reading, DVDs, etc.). We are finding that so many of you simply love print books! Just wait until we reopen! The following is a projected timeline:

Lancaster should reopen in mid-December of this year.

Del Webb is slated for early October.

Kershaw is awaiting completion of the sewer line before speculating on a date.

Thank you all for your patience.

As some of you may have discovered, once you return your items, there is a five day quarantine before we handle them to check them in, fine free. When you come to our door, your temperature will be taken from a slight distance, by a staff member wearing a mask. At this time, it is up to you if you care to wear a mask or gloves.

Looking forward to a bright future together.

Rita Vogel

LANCASTER COUNTY LIBRARY

Newsletter

From the Director.

As Lancaster County continues to observe recommendations for social distancing, we have been so happy to see you coming in to our two open locations. A reminder of our hours:

Main (temporarily located at 1228 Colonial Commons (the old Barnett Building). Monday through Friday, 9-5 pm. 803-285-1502

Kershaw (3855 Fork Hill Road, Kershaw, SC) Monday through Friday, 9-12 pm and 1-5 pm. 803-475-2609

Libraries store the energy that fuels the imagination. They open up windows to the world and inspire us to explore and achieve, and contribute to improving our quality of life.

As Lancaster County continues to observe recommendations for social distancing, we have been so happy to see you coming in to our two open locations. A reminder of our hours:

Main (temporarily located at 1228 Colonial Commons (the old Barnett Building). Monday through Friday, 9-5 pm. 803-285-1502

Kershaw (3855 Fork Hill Road, Kershaw, SC) Monday through Friday, 9-12 pm and 1-5 pm. 803-475-2609

Libraries store the energy that fuels the imagination. They open up windows to the world and inspire us to explore and achieve, and contribute to improving our quality of life.

Sidney Sheldon

We offer a number of services (Faxing, Copying, Personal Computer and Internet use, virtual programs for children during summer reading, DVDs, etc.). We are finding that so many of you simply love print books! Just wait until we reopen! The following is a projected timeline:

Lancaster should reopen in mid-December of this year.

Del Webb is slated for early October.

Kershaw is awaiting completion of the sewer line before speculating on a date.

Thank you all for your patience.

As some of you may have discovered, once you return your items, there is a five day quarantine before we handle them to check them in, fine free. When you come to our door, your temperature will be taken from a slight distance, by a staff member wearing a mask. At this time, it is up to you if you care to wear a mask or gloves.

Looking forward to a bright future together.

As some of you may have discovered, once you return your items, there is a five day quarantine before we handle them to check them in, fine free. When you come to our door, your temperature will be taken from a slight distance, by a staff member wearing a mask. At this time, it is up to you if you care to wear a mask or gloves.

Looking forward to a bright future together.

Rita Vogel

LANCASTER COUNTY LIBRARY

Newsletter

From the Director.

As Lancaster County continues to observe recommendations for social distancing, we have been so happy to see you coming in to our two open locations. A reminder of our hours:

Main (temporarily located at 1228 Colonial Commons (the old Barnett Building). Monday through Friday, 9-5 pm. 803-285-1502

Kershaw (3855 Fork Hill Road, Kershaw, SC) Monday through Friday, 9-12 pm and 1-5 pm. 803-475-2609

Libraries store the energy that fuels the imagination. They open up windows to the world and inspire us to explore and achieve, and contribute to improving our quality of life.

Sidney Sheldon

We offer a number of services (Faxing, Copying, Personal Computer and Internet use, virtual programs for children during summer reading, DVDs, etc.). We are finding that so many of you simply love print books! Just wait until we reopen! The following is a projected timeline:

Lancaster should reopen in mid-December of this year.

Del Webb is slated for early October.

Kershaw is awaiting completion of the sewer line before speculating on a date.

Thank you all for your patience.

Sidney Sheldon

We offer a number of services (Faxing, Copying, Personal Computer and Internet use, virtual programs for children during summer reading, DVDs, etc.). We are finding that so many of you simply love print books! Just wait until we reopen! The following is a projected timeline:

Lancaster should reopen in mid-December of this year.

Del Webb is slated for early October.

Kershaw is awaiting completion of the sewer line before speculating on a date.

Thank you all for your patience.

As some of you may have discovered, once you return your items, there is a five day quarantine before we handle them to check them in, fine free. When you come to our door, your temperature will be taken from a slight distance, by a staff member wearing a mask. At this time, it is up to you if you care to wear a mask or gloves.

Looking forward to a bright future together.

Rita Vogel
